MINISTRY

Ministry is a key part of LSF. Through Christian fellowship, bible studies and contemporary student-led "Te Deum" worship services, LSF strives to provide students with a nurturing environment to grow in their faiths.

SERVICE

Service is an important part of LSF as we are all called to be stewards of God's grace (1 Peter 4:10). We are dedicated to showing Christ's love through service to others, whether it is in Kirksville or in mission trip destinations like Mobile, Alabama!

FRIENDSHIP

LSF is committed to providing a strong Christian support group to Truman students. We host several social events each semester in addition to ministry and service events. Through LSF, you're bound to make friendships and memories that will last forever!

CHURCH & COMMUNITY

LSF is very involved with Faith Lutheran Church and the Kirksville community. Whether it's eating a meal with members of the congregation, attending Sunday service, or cleaning a stretch of the highway, getting involved in the community off-campus is an important part of LSF!

Looking for a supportive group to help you grow in your faith during some of the most exciting years of your life? Well, you're in luck!
